Why FBD?

FBD has long been recognized as a premier multi-disciplinary platform for advancing business knowledge and practice, developing new standards of educational excellence, and encouraging intellectual and social interchange among academicians, university administrators, and their constituents.

FBD's professional associations have joined together to form a federation designed to:

- Provide and coordinate an annual meeting for association members.
- Have a common general program in which all association members will participate together.
- Provide a forum through its annual meeting to discuss and exchange ideas and to present formal research papers.
- Foster professional growth and enrichment for members of each association.
- Provide information which can be used to improve classroom instruction, research, and academic or business development.
- Honor outstanding educators and recognize distinguished papers presented at the meeting through sponsored events.
- Provide a placement service for academic positions.

FBD is a successful, nonprofit, volunteer-driven organization. Since 1974, FBD continues to be a major meeting arm of business administration educators providing outstanding programs to its professional constituencies.

All conference attendees and presenters are required to register. Registration is composed of two fees. Both fees are required:

- FBD Registration Fee
